OUR MARKETS

FOREIGN EXCHANGE

Forex, also known as foreign exchange or FX trading, is the conversion of one currency into another. It is one of the most actively traded markets in the world, with an average daily trading volume of \$5 trillion leading us to actively capitalize on it.

STOCKS

The market that is most familiar to the average investor is the stock market. This market allows investors to buy and sell shares of ownership in publicly traded companies which we facilitate for investors

BONDS

The debt market is used by governments, companies, and financial intermediaries to issue debt instruments to raise capital. Prime Associates has limited stakes in this market.

CRYPTOCURRENCY// CFD TRADING

CFDs trading are derivatives, which enable you to speculate on cryptocurrency price movements without taking ownership of the underlying coins. You can go long ("buy") if you think a cryptocurrency will rise in value, or short ("sell") if you think it will fall. Our experts leverage highly on this market.
